## Austrian Society for Cytometry & Swiss Cytometry Society

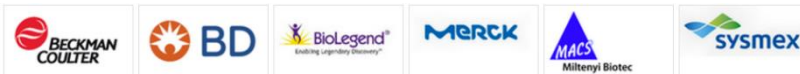

# AlpenFlow

## 1<sup>st</sup> Announcement

## November 9<sup>th</sup> – 11<sup>th</sup>, 2017

Kongress & TheaterHaus Bad Ischl  
Bad Ischl, Austria

Main Sponsors of the Austrian Society for Cytometry

The *Austrian Society for Cytometry*  
and the *Swiss Cytometry Society*

organize together their first joint meeting

## *AlpenFlow*

The conference will be held in the  
**Kongress & TheaterHaus of Bad Ischl,**  
**Salzburg, Austria** in the middle of the  
beautiful landscape of the  
“Salzkammergut”.

**November 9<sup>th</sup> – 11<sup>th</sup>, 2017**

The 2½ day program is addressed to clinicians and to researchers working in the field of cellular characterisation. The program includes lectures and workshops from national and international experts as well as workshops from invited companies.

**Main topics of the conference are**

- Basics in flow cytometry
- Multicolour flow cytometry
- Characterisation of haematological diseases
- Mass cytometry
- Imaging cytometry
- 3D cell cultures

Further information will be presented soon at  
**[www.cytometry.at](http://www.cytometry.at) + [www.cytometry.ch](http://www.cytometry.ch)**
